“The King & Queen of the Sciences at the Queen of the Spas”

A preview of plans for **Gaia University at Saratoga Springs** - intended to serve as the hub of a global learning and teaching network - with a holistic curriculum based on:

- **Gaia Hypothesis** the Earth as a living being
- **Gaia Mind Hypothesis** the Internet as Global Brain
- **One Light in All** in every person and in all of Creation
- **A Course in Miracles** teaching and learning about God, forgiveness & love
- **Information Ecology** operating system for sustainability and peace

**Gaia University** incorporates an extensive network of Internet domains, and is based on an appreciation of fundamental material properties of information:

- **Zero Mass & Zero Physical Size**
- **Travel at the Speed of Light**

making possible, through the Internet

- **Common Access to Properties of the Whole**

**Introducing surprising dis-coveries from information ecology, including:**

- **Light and Colour Cubes** all colours in one - icons of the One Light in All
- **Full Cost Markets** Internet-enabled sustainable economics
- **Power of Zero** mark of consciousness for a conscious economy
- **Jubilee Gregorian Calendar** teaching tool on the Earth's journey through time
- **Pythagoras Theorem** hidden mysteries - triangle, square, circle & more
- **Autonomic Massage** effortless healing massage - powered by the heart

Gather in **Congress Park** after the meeting to celebrate the **Summer Solstice** - at **9:36 pm**
